Gaussian, base matrix
Gaussian, market-credit 0.8
Gaussian, crisis matrix
Gaussian, independent risks
t copula, 3 degrees, base matrix
t copula, 2.5 degrees, base matrix
t copula, 3 degrees, crisis matrix
Gaussian regimes, 5 percent crisis
Clayton, reflected, same mean tau
Gumbel, same mean tau
simple sum
square-root
Gaussian
t, nu 4
t, nu 30
hybrid, truth correlation
Gaussian, truth rank corr.
